
Rui Dantas

Born in 1972 in Vieira do Minho, Portugal. Graduated as zoo-technical engineer at the University of Évora (1990-1996). He began his work with autochthonous breeds in 1996 with the *Barrosã* herd-book in the NGO AMIBA (Barrosã Cattle Breeders Association). In 2002-2003 he was responsible for starting the herd-book of the sheep breed *Bordaleira de Entre Douro e Minho*. In 2003 he became responsible for the herd-book of the cattle breed *Cachena*. Since 2007 he is President of FERA - Portuguese Federation of Autochthonous Breeds Associations representing AMIBA. He also takes part on several commissions and study teams concerning endangered livestock breeds.
